BARGYLUS - 2016/2017
CABERNET SAUVIGNON, MERLOT, SYRAH | LATAKIA, SYRIA
The most dangerous wine in the world? A must-try for adventurous wine lovers in Monroe. The vineyard of the Saade brothers, both from Beirut, is located 900 meters above sea level at the top of a mountain in northwestern Syria. A blend of 60% Syrah, 20% Cabernet Sauvignon, and 20% Merlot forms the basis of this beautiful intense wine. It is currently the only remaining commercial winery in Syria since the outbreak of the war in March 2011. “What began as a venture has grown into a challenge,” say the Saades. They have been managing their vineyards remotely with their local team since 2012. The result is stunning, and the wines from the estate can be found in top restaurants around the world. Black fruit on the nose, such as blueberries and cherries. On the palate, ripe black plums with a pleasant freshness and a touch of black pepper. A wine with great depth and a long finish. OPUS ONE 2021

CABERNET SAUVIGNON, CABERNET FRANC, PETIT VERDOT, MERLOT
NAPA VALLEY, CALIFORNIA, UNITED STATES

Opus One is considered one of the most iconic wines in the world, thanks to its unique fusion of two wine cultures: the tradition and elegance of Bordeaux combined with the power and innovation of Napa Valley. It was the very first “ultra-premium” wine from California to achieve international cult status.

A French soul in an American heart, born from the groundbreaking collaboration between two legends: **Baron Philippe de Rothschild** (owner of the famous Château Mouton Rothschild in France) and **Robert Mondavi** (the pioneer of modern Californian winemaking).

This wine offers a complex palate thanks to 19 months of aging in new French oak barrels. Seductive aromas of dark fruit such as crushed cassis, blackberries, and black cherries are complemented by subtle notes of violets and vanilla.

On the palate, the attack is fresh and vibrant, unfolding into layers of black tea, licorice, and dark chocolate. The wine has a creamy, full texture with finely polished tannins. A long, persistent finish reveals hints of minerality and graphite.

A unique powerhouse of a wine for Bordeaux lovers—with style.

CLOS DU MARQUIS - GRAND VIN - ST JULIEN - 2021
CABERNET SAUVIGNON, MERLOT, CABERNET FRANC,
PETIT VERDOT | BORDEAUX, FRANCE
No longer the second wine of Léoville Las Cases! Since 2010, this cru includes all the parcels outside the walled vineyard of Léoville Las Cases, located on the other side of the road. These terroirs are exceptional, as they are surrounded by several 2nd Grand Crus of St. Julien and Pauillac. Clos du Marquis is a powerful wine from Hubert Delon and is much cheaper than his Léoville Las Cases, yet it is vinified by the same team and using the same techniques.

On the nose, this wine displays intense notes of black fruits (black cherries) and balsamic aromas of cedarwood. The entry on the palate is dynamic, with a very nice acidity that develops into a powerful mid-palate, elegantly structured but with a tannin structure that impresses with its precision. A Clos du Marquis that surprises with its power and balance. Sublime!

VOSNE ROMANÉE - 1ER CRU - ‘AUX BRÛLÉES’ - 2017
PINOT NOIR | DOMAINE MICHEL GROS, BOURGOGNE, CÔTE DE NUITS, FRANCE

A highly prestigious red Burgundy, celebrated for its unique combination of power, ripeness and minerality. The 2017 vintage is known for its warm character, resulting in an exceptionally concentrated and layered Pinot Noir from this particular vineyard.

The name ‘Aux Brûlées’ refers to its sunny exposure and shallow soils, allowing the grapes to ripen earlier and more intensely than elsewhere in the region.

Expect aromas of ripe dark fruit (cherries and blackberries), complemented by spicy notes, violets and a subtle smokiness typical of the Aux Brûlées vineyard plot.

Beautiful with steak tartare or an elegant cut of red meat, grilled bleu or rare on the Bastard BBQ. Also a perfect choice to round off your meal alongside the wonderful cheese selection from Van Tricht.

CHATEAU PALMER TROISIÈME GRAND CRU CLASSÉ - 2017
MERLOT, CABERNET SAUVIGNON, PETIT VERDOT
MARGAUX, BORDEAUX, FRANCE

Château Palmer is often referred to as a **“Super Second”** in the wine world: officially classified as a Troisième Grand Cru, yet often rivaling
or even surpassing the top Premier Crus in both quality and price.

This unique estate in the Margaux region works **entirely bio-dynamically** and, quite distinctively, uses a high proportion of Merlot, giving the wine its signature velvety, sensual texture and lush fruitiness, making it more approachable in its youth.

Château Palmer 2017 is **a textbook example of precision and elegance.** Although 2017 was a challenging year in Bordeaux due to early frost, Palmer’s vineyards were spared, resulting in a wine of exceptional aromatic depth and refined structure.

A highly complex bouquet reveals intense notes of black fruit such as blackberries and blueberries, complemented by violets, dark chocolate, cedarwood, and exotic spices like star anise and sandalwood.

On the palate, the wine is medium-bodied with a vibrant freshness. The texture is silky smooth thanks to ripe, fine-grained tannins. A very long, mineral finish marked by purity and precision makes this a magnificent wine that is perfectly ready to drink now.

A unique opportunity to enjoy this great wine from a top vintage at an attractive Monroe price.

CHÂTEAU HAUT BRION 2010, PREMIER GRAND CRU CLASSÉ

CABERNET FRANC, CABERNET SAUVIGNON, MERLOT
PESSAC-LÉOGNAN, BORDEAUX, FRANCE

Château Haut-Brion is unique as the **oldest Grand Cru of Bordeaux** and an outsider within the official classifications. While other icons such as Lafite or Latour are located in the Médoc, Haut-Brion lies in the Graves region, almost entirely surrounded by the city of Bordeaux.

The 2010 vintage is considered one of the **most legendary in the estate's history.** It is a wine of extremes: combining exceptionally high alcohol with immense structure and freshness, resulting in near-perfect scores from many critics.

The year was dry, with a particularly arid summer. From early April to late September, it was the driest growing season since 1949. This water deficit concentrated the grape juice, leading to record levels, particularly in sugar content.

The red wines of 2010 are among the deepest colored in recent years.

An intensely expressive bouquet reveals blackcurrants, blackberries, coffee, and tobacco. The palate is rich and creamy, with flavors of ripe forest fruits, spices, leather, and cocoa. Stunning and complex.

A world-class wine that is slowly reaching its peak, showing its best between 2026 and 2030.
